Don’t Miss This After Party!

For dentists attending “The 24th International Symposium on Ceramics” June 6-8, 2014 sponsored by Quintessence Publishing, you are cordially invited to the ADES Inaugural Party. Meet our course speakers Dr. Gerard J. Chiche, Dr. Markus B. Blatz and Mr. Aki Yoshida, RDT, and learn about the unique ADES approach. Quintessence Publishing is a valued sponsor of ADES. Enjoy a cocktail on us! Your drink ticket awaits at the Sponsors’ Booth!

Reserve your space now for these upcoming ADES Courses!

August 28 - 31, 2014

Three-Day Seminar at Ponte Vedra Beach, FL

The Esthetic Zone Inside and Out - With Dr. Chiche
~ From basic concept to all-ceramic preparations.

In our first program led by Dr. Gerard J. Chiche presents a systematic step-by-step approach to treat esthetic rehabilitations with predictable results and improved laboratory support, and renowned guest speaker Aki Yoshida, RDT attendees will gain invaluable professional insights by seasoned lecturers in an intimate, hands-on group setting.

14 CE Credits

February 12 - 14, 2015

Two-Day Seminar at Sawgrass TPC Club House, FL

Selection: The Most Crucial Steps

Three dynamic course speakers will review the most crucial aspects of material selection, restoration design, effective communication, and treatment planning to final cementation. “All-Ceramic Restorations- A Comprehensive Approach to Material Selection and Restoration Design” with Dr. Ariel J. Raigrodski, “Communication for Esthetic Results between Dentists, Technicians and Patients” with Aki Yoshida, RDT, “The CAD/CAM Update in Esthetic Dentistry From A as Adhesion to Z as Zirconia” with Dr. Markus B. Blatz, and an optional hands-on workshop: “Mastering Shade Taking” with Aki Yoshida, RDT.
